

HEAD OF THE CABINET OF MINISTERS

SUBSECRETARIAT OF INFORMATION TECHNOLOGIES

Provision 2/2023

DI-2023-2-APN-SSTI#JGM

City of Buenos Aires, 06/01/2023

HAVING SEEN EX-2023-57826727- -APN-SSTI#JGM, Decree No. 50 of December 19, 2019 and its amendments, Administrative Decision No. 1865 of October 14, 2020 and amendments, and

CONSIDERING

That, through Decree No. 50 of December 19, 2019 and its amendments, the SECRETARIAT OF PUBLIC INNOVATION was created, under the HEAD OF THE CABINET OF MINISTERS OF THE NATION, establishing among its objectives, "Design, propose and coordinate the administrative and technological innovation policies of the NATIONAL STATE in its different areas, its central and decentralized Administration, and determine the strategic guidelines and the proposal of the regulatory norms in the matter".

That, the aforementioned SECRETARIAT, also has among its actions, "Understand the design of policies that promote openness and innovation and digital government, as design principles applicable to the cycle of public policies in the National Public Sector."

That, by virtue of the previously listed Decree, the SUBSECRETARIAT OF INFORMATION TECHNOLOGIES was created, dependent on the aforementioned Secretariat, which has among its functions that of "Promoting research and development of new information technology projects, with a transversal scope , or common to the bodies of the National Public Administration".

That, through Administrative Decision No. 1865 of October 14, 2020 and amendments, the organizational structure of the first and second operational level of the HEAD OF CABINET OF MINISTERS.

That, in this sense, the NATIONAL OFFICE OF INFORMATION TECHNOLOGIES dependent on the aforementioned UNDERSECRETARIAT, establishing as primary responsibility, "To lead the formulation of policies and implementation of the process of development and technological innovation for the transformation and innovation of the NATIONAL STATE, as well as well as promote the integration of new technologies, their compatibility and interoperability".

That, it is public knowledge, that at a global level, there is a boom in the development and implementation of projects that involve artificial intelligence.

That, in order to harmonize general principles for the ethical approach to artificial intelligence, the United Nations Educational, Scientific and Cultural Organization (UNESCO) issued the Recommendation on the Ethics of Artificial Intelligence, to which A large number of countries joined, including Argentina.

That Argentina, through the aforementioned UNDERSECRETARIAT, participated in the first Global Forum on the Ethics of Artificial Intelligence, whose motto was "Ensuring the inclusion in the world of Artificial Intelligence", reinforcing the Argentine vision of generating ethical regulatory environments for Artificial Intelligence projects, guaranteeing developments centered on people, with a gender and human rights perspective.

That technological solutions based on artificial intelligence allow higher levels of automation and the leap towards decentralized and predictive systems for decision-making, which allow improving the design, implementation and evaluation of policies.

That it is necessary to establish clear rules to guarantee that the benefits of any technological development can be used by all sectors of society and promote the Argentine scientific and technological ecosystem, to strengthen capacities for innovation, development and the production of technological solutions.

That in turn, these capacities must be used within the framework of a broader strategy that prioritizes technological sovereignty, and allows a response to the social, productive and environmental problems of the country.

That, consequently, the approval of ethical principles and recommendations is projected to address the stages of projects based on artificial intelligence.

That the GENERAL DIRECTORATE OF LEGAL AFFAIRS of the LEGAL SUBSECRETARIAT of the LEGAL AND ADMINISTRATIVE COORDINATION SECRETARIAT of the HEAD OF THE CABINET OF MINISTERS, has taken the intervention within its competence.

That this is issued in exercise of the powers conferred by Decree No. 50 of December 19, 2019 and its amendments.

Thus,

THE UNDERSECRETARY OF INFORMATION TECHNOLOGIES of the HEAD OF CABINET
OF MINISTERS
